HELPING TO RAISE MONEY FOR NOMINATED LOCAL CHARITIES

## Shocking stuff!

**The Furzedown Project were delighted to get this life-saving defibrillator with funds raised by FACE.**

This vital machine can prevent brain-damage and save the life of someone who has just had a heart attack. Volunteers received training on 27 May, which included CPR as well as instruction on how to use the defibrillator.

It is simple to use, with easy to follow spoken instructions and will be kept ready for use at The Furzedown Project on Moyser Road. It is a great asset for the whole community.

We are looking forward to continuing fund-raising for The Project, who want to develop and extend their exercise classes, providing more equipment and multi-media support for their elderly members.

## WINTER WINNERS!

**Francis, who lives on Nimrod Road, was the lucky winner of our amazing markwarner.co.uk Ski Holiday prize worth £5000. He took his wife Rachel and two children Harvey, 10 and Stanley 4, to the marvelous Les Deux Alpes resort in April.**

*"We had a fantastic time, the skiing was awesome and there were blue skies all week long, the Chalet hotel La Bérangère was ideal for our family, the food was amazing and the staff were great, especially with the boys. We were really impressed with Mark Warner who treated us so well and gave such an amazing holiday to help raise money for local charities."*

Other FACE raffle winners have enjoyed prizes ranging from an unforgettable dinner at the top of The Gherkin to tea on Westminster Terrace with Sadiq Khan and health & beauty treatments. Pictured right is our Quiz Night Heads & Tails winner enjoying her prize of a cocktail evening at The Little Bar.

## In the news

**We presented St George's Hospital with a cheque in April.**

In total we have now donated £13,000 to help teenagers with cancer at St Georges. The chill out room for teenagers is still being finalised, but the money raised has already bought items like iPads, and provided therapeutic and peer support activities. The hospital has also appointed a specialist nurse for young people with cancer.

A similar amount has also been raised for the **South London MND**

**Association** to help provide vital support and equipment; e.g. installation of stair lifts; communication aids like a Lightwriter and mobility aids.

We were presented with our own cheque for £500 in February from **The Resident's Journal** - thanks to your votes - which will help support our fundraising efforts. They also did a feature on us which helped illustrate what an amazing community we live in!
